

Councils of M. D. of Crown and Town of Lacombe Discuss Proposed Hospital

Committee Appointed to Obtain Information on Subject; Further Meeting to be Held April 6

Preliminary discussion regarding the proposed building of a new community hospital in Lacombe took place at the Town Office on Tuesday afternoon when the councils of the Municipal District of Crown and the Town of Lacombe met in a body.

J. S. McCormick was elected chairman of the meeting and L. P. Minkler acted as recording secretary.

A. M. Campbell, chairman of the present Hospital Board, spoke for a few minutes, and gave a brief outline of the plan on which the hospital might be erected. He suggested to the joint meeting that the Municipal District of Crown and the Town of Lacombe co-operate in the building of a hospital.

"Statistics prove that 10 per cent of the population of a district need hospitalization each year," Mr. Campbell declared. Figures from the balance sheets of the present hospital, showing the assets of the institution, were presented to the councils.

Report on Investigations
A report of the trip which Councilors P. C. Owen and T. Wilkes of the Town of Lacombe took to Waskia to seek information on the community hospital at that point was read by Councilor Owen. Considerable discussion then took place as the councilors present endeavored to obtain some idea of the size, location, cost, etc., of the proposed building.

A motion "that the members of the councils of the Town of Lacombe and the Municipal District of Crown unite in formulating a plan to build a new community hospital" was unanimously passed.

It was learned from the solicitor for the Town and Municipal District that a by-law would have to be passed by the councilors of the town before any definite action could be taken; in the case of the Municipal District, no by-law would be necessary unless called for by a petition from the resident ratepayers.

Committee is Chosen
After some discussion it was decided to elect a representative committee to thoroughly investigate all information needed for the councils. This committee was elected as follows:

From the Town of Lacombe: P. C. Owen, T. Wilkes and W. Avery. From the Municipal District of Crown: W. H. Huppelheuser, Wm. Parker and F. Stewart.

O. W. Huppelheuser was elected to act as chairman of the committee. The committee is to prepare all the information they gather and present it to a joint meeting of the two councils to be held on April 6th. L. P. Minkler will act as secretary for the committee.

It was made quite clear, so that no misunderstanding might occur, that the hospital is still far from being a reality, and the work that is being done is solely in the nature of an investigation. Neither council is in any way committed to an agreement with the project.

Charles Duthie, Local Resident, Passes Away

Charles Duthie, aged 57 years, passed away at the Lacombe Hospital on Saturday afternoon, following an operation for appendicitis performed on Saturday, March 13th.

Mr. Duthie was born near Brechin, Scotland, in 1880. In 1915 he enlisted with the 52nd Battalion at Brandon, Man., to which city he returned at the close of the war. He came to Lacombe in the winter of 1921, since which time he has been an employee of the Lacombe Experimental Station. He was an accomplished player of the bagpipes. Mr. Duthie leaves one brother in Vancouver, B.C., and five brothers in Scotland.

Funeral arrangements were in charge of the Lacombe branch of the Canadian Legion and the services were held from St. Andrew's United Church on Tuesday, March 23rd. Rev. R. B. Layton and Rev. J. S. Waterman, the latter a returned man, officiated as ministers. Members of the Canadian Legion and of the Lacombe-We-Forget Club attended in a body.

Palbearers were: George DeLong, R. Carruthers, F. Walker, George Ramsay, W. Jardine and W. Anderson. Chief mourners were Thomas Duthie, the deceased's brother from Vancouver; John Woods, Alex Pollock and Adam Irvine.

I.O.D.E. Holds Successful Tea Friday

A delightful and successful tea, sponsored by the Lord Lascelles chapter of the I.O.D.E., was held at the home of Mrs. R. L. Ramsey on Friday afternoon, March 19th. In keeping with the season, the decorations of green shamrocks, candles and daffodils presented a charming effect and the program of entertainment provided was most enjoyable.

Vocal solos were rendered by Mrs. J. MacDonald, accompanied by Mrs. T. Jackson, and by Mrs. R. W. Clarke, accompanied by Mrs. M. L. Waters; also instrumental selections by Miss Marion Watt, violinist, and Mrs. M. L. Waters.

Pouring tea were Mrs. E. C. Gilles, Mrs. H. E. Carruthers and Mrs. A. Chiswell, and the following ladies assisted in serving: Mrs. R. S. Cameron, Mrs. W. Mills, R. W. Bowtell, Mrs. W. McDermott, Mrs. R. G. Gilmore and Mrs. F. Parsons. Interesting features were predicted to those who had their teas ready by Mrs. R. W. Clarke. The guests were received by the hostess, Mrs. R. L. Ramsey, and the vice-regent of the I.O.D.E., Mrs. T. P. Roberts. The funds were augmented by the sum of \$10.50.

Aberhart Defeated By Own Party

(Edmonton Dispatch)

EDMONTON, Alta., March 25.—Premier Wm. Aberhart determined to bend every effort to put the budget for the fiscal year beginning April 1 through before that date, is facing considerable criticism and antagonism right within his own party.

The criticism regarding the present budget is the fact that no mention is made nor is any allotment made for the promotion of Social Credit principles. Dr. Brown, S.C. (Pembina) introduced a motion to adjourn the debate, which called for a vote of the House. The Aberhart supporters were defeated by a vote of 27 to 25, suffering their first defeat since the present government took office.

The Liberal and Conservative opposition voted with Dr. Brown. The government members supporting the Brown motion are looked upon as members of an "independent party."

GOLFERS OUT SUNDAY

You just can't keep these golfers down. Last Sunday, with a cold wind blowing, two or three golfers strolled out the links to bustle a few golf balls around. They report that Holes 1 and 9 are in good shape.

The annual meeting of the Golf Club will be the first week in April.

Local Paper, Printed 1901, of Interest

Matters of great moment appear in an old paper received recently at this office. It is a copy of the "Lacombe Advertiser," dated November 11, 1901. J. D. Skinner was the publisher. A short item in the "Talk About Town" column brings to the attention of readers of the paper the desirability of having a Calgary-to-Edmonton long distance, telephone line; another fairly lengthy item, records the marriage of "one of the desecrated popular young people of the community," Harry Brownlow and Miss Lena McKilligan.

A fairly lengthy editorial deals with the boundaries of Lacombe. The editor comments on a meeting held in Puffer's Hall, at which residents of the Town of Lacombe passed their opinions on the boundaries.

A letter to the editor is also published, in which a subscriber berates the local merchants for closing their doors of business at 5:30 p.m.

One of the most striking impressions gathered from reading these old papers of 30 or 40 years ago is the fact that apparently the people had just as much trouble then as they have now.

Rimby C.G.I.T. To Hold Banquet

RIMBEY.—A Mother and Daughter banquet is planned for May 1st by the senior group of the C.G.I.T. at Rimby. Mrs. George Young of Ponoka, former leader of the Rimby group, and Miss Lillian Carscadden, secretary of the Girls' Work Board at Calgary, will be guest speakers for the occasion.

The Rimby group plans to send several of its members to the provincial camp at Sylvan Lake next summer.

The sum of \$7.00 was voted to the Work Board at Calgary. The next meeting will be held in two weeks' time at the personage, when the leader, Mrs. Winfield Race, will be hostess.

The president, Margaret Craig, was chairman of Monday evening's meeting, to which Phyllis Cooke was hostess.

Mr. and Mrs. W. S. Mellis, north of Rimby, have as their guest this week Mr. Mellis' cousin, George Cosford of Star City, Sask., who spent the winter at Vancouver and other coastal points, and is now enroute to his home. Mr. Cosford, who is in his 88th year, is very active and is making the trip by rail, unaccompanied.

Melvin Duffey Progressing Well

Melvin Duffey, who suffered a chest injury when a truck on which he was doing repair work Tuesday last week fell on him, is progressing favorably. It was learned. The truck, a light delivery model, fractured his breast bone when the jack which was holding up the car slipped, allowing the whole weight of the car to fall on him.

Stores Close Friday

Customers of local business houses are reminded that tomorrow, Friday, is a Statutory Holiday, and all stores will be closed in Lacombe that day.

Earlier Monday is a bank holiday but stores will remain open.

MASONS MAKE FRATERNAL VISIT

Making a fraternal visit to Mountain View Lodge No. 10, F. & A. M., several members of Burke Lodge, Lacombe, journeyed to Glads last Monday night, and all report an enjoyable time. Those included in the party were: Dr. Harry Harold Hopkins, D. R. McKay, Bentley, D. F. Chisholm, George R. DeLong, T. Jackson, Perry W. Pratt, Jim West and G. E. Mann.

Clive Actors Take Third Place in Amateur Contest

Members of the cast of "All the Cobblers," a one-act play entered by the Clive Dramatic Society in the Provincial Dramatic Festival held last week in Calgary returned home to Clive Sunday night after taking third place in the contest. A very fine performance was played by the entire cast and the actors deserve real praise for the manner in which they conducted themselves.

Robert Haskins in particular was outstanding and was awarded the Calgary Herald Cup for being adjudged "best actor."

Members of the Little troupe were Robert Haskins, Hugh Huddins, Alice Sloan and Herb Stewart. V. G. Duffy was the director.

Members Give Short Talks At Men's Club Meeting

Meeting for the first time in the I.O.O.F. Hall, an enthusiastic meeting of the Men's Club was held on Tuesday night. Over 50 members attended.

Two interesting short talks by club members were given. L. P. Minkler gave an address on "Impressions of Sport As I First Saw It." He painted vividly and humorously the rivalry between Red Deer and Lacombe as early as 1902, in the summer time with baseball and in the winter with hockey. Mr. Minkler stated it was his belief that the enthusiastic support given by the fans to the various teams in those days had waned considerably.

Speaks of Oregon Woods
Ray Saunders gave a short but interesting address on "Forestry." He harked back 23 years to the lumber industry in the huge forests of Oregon. Brief explanation of the method of the felling of trees in those days, of the method of transporting them to the mill, rolling them into the flood waters of various rivers, were presented.

President Harry J. Ford gave a brief explanation of the reason for the transfer of the meeting from the Church Hall to the I.O.O.F. Hall.

New Auto Licenses Carry Expiry Date

Automobile owners and others got their first glimpse of the new automobile license plates on Monday, when a considerable number were secured by the public in Lacombe. The plates have an orange background with black lettering and in addition to the number they carry the expiry date, March 31, 1938.

Around the Town

Miss Lorna Chisholm entertained the members of her bridge club on Tuesday evening. Honors were won by Miss Jean Hunter, Mrs. L. Campbell and Mrs. N. Nelles.

Miss Vivian Pratt will be a Calgary visitor, during the Easter holidays.

Miss Edith Harris and Miss Myrtle Riley left Saturday morning for Vancouver and other points, where they will visit with friends and relatives.

Mrs. Irene Smith will spend the Easter holidays in Edmonton, the guest of her parents, Mr. and Mrs. Charles E. Smith.

Miss Grace Dunlap leaves today for Stettler to visit with her parents, Mr. and Mrs. W. Dunlap.

Mr. and Mrs. R. Warren will spend the Easter holidays in Innisfail, visiting with the latter's parents, Mr. and Mrs. W. A. C. Watt.

Alexander Chapter No. 4, O.E.S., will hold a bridge party on April 2nd at 8 p.m. in the Empire Hotel. A small charge of 25 cents will be made.

Special Meeting of Town Council Held

A special meeting of the Town Council was held in the Town Office, Thursday afternoon of last week. The object of the meeting was to make some decision regarding the scarifying machine offered for sale by the Richardson Road Machinery Company of Calgary.

It was decided to order the machine to be shipped here for use on approval, and if the machine is satisfactory in all respects, it will be added to the town equipment.

Constable C. Mosier, who has been acting as temporary night constable since the first of the year, was appointed permanent night constable.

L. P. Minkler, secretary-treasurer, was requested to consider the local clubs, fraternities and other organizations and ask them to send a responsible representative to a meeting to be held in the Town Office Tuesday evening, for the discussion of plans whereby the coming County Fair may be suitably commemorated.

Trace Indians for Illegal Trapping

RIMBEY.—On complaint of R. G. Dentman and other farmers residing along the shores of Gull Lake that Indians were trapping muskrats in a "parked" area, the secretary of the Municipal District of Blinnthome, to the department at Edmonton, with the result that Constable A. Ross, R.C.M.P., made a trip to the north end of the lake, where a party of Indians had been trapping muskrats during the past week. Arriving there, the police party found that the Indians had decamped but they took up the trail, which took them near the Wallace Archibald farm, 15 miles northeast of Rimby. Twenty-six skins were confiscated. The personnel of the party were: Const. Oskomin, Sam Chibley, George Sauter, Narcis Iwastin, presumably from the Hohenbueh district.

The method of trapping was to cut off the top of the rat houses along the lake's edge and insert a trap; sooner or later the rat inhabitants return to their houses and are caught.

D. B. MacMillan, M.L.A. Given Vote of Confidence

A meeting of the executive of the Lacombe Constituency Social Credit League was held Monday afternoon in the Town Hall. D. B. MacMillan, M.L.A. for this constituency, was present.

It is understood that a resolution was drafted and passed, expressing confidence in Mr. MacMillan, and stating that his supporters were satisfied with any action he might take at the present sitting of the Legislature.

The executive were informed of current happenings in the capital by the member of the House.

Announcement was made on Monday morning, March 22nd, of the appointment of J. C. Bowen, former Liberal leader in the legislature, as the successor to Col. Primrose as Lieutenant-Governor. Word of his appointment was received by Capt. Bowen on Saturday from Ottawa, but the official announcement was only made Monday. Lieutenant-Governor Bowen is a former Baptist preacher with a war record and is a prominent insurance man in Edmonton. His appointment is considered a suitable reward for public services well rendered and is a popular one.

Much speculation is heard around Edmonton as to the fate of the government's budget, which admittedly is not a popular one, either with the general public or supporters of the government. It is an orthodox budget and contains no Social Credit features, excepting a provision for \$50,000 with which to administer the proposed Alberta Social Credit measures to be passed.

All last week there were rumors, more or less confirmed by the attitude of various members on the government side of the House, that considerable dissatisfaction is felt by these members with the plans of the administration to implement Social Credit.

These are extraordinary, unprecedented claims over the property, occupation and person of citizens of Alberta.

"These bills foreshadow arbitrary authority over the private life of citizens, and notwithstanding any statements to the contrary, we believe if the government were not going to use this authority, there would be no need for their passing."

"This government was not given any mandate by the people of Alberta to enact such revolutionary legislation. It places in the hands of a minister of the Crown absolute power to grant, or refuse, permission for a person to practice his avocation. And past experience has proven that it is detrimental to the people for any government to delegate such power to a minister to rule by order in council."

"While no state can survive without obedience to its laws, it cannot survive, except by mandate of the people, that are contrary to the principles of those already established. These bills would repudiate the liberties of citizens as provided for them by the common law of England. Further, no law can be properly enforced that has not behind it the support of a large and influential body of the people. And there are many citizens in Alberta who have conscientious reasons for refusing to submit to such regimentation as is herein proposed. It savors of the act of a totalitarian state."

EDMONTON, Alta.—Death of the late Hon. P. C. H. Primrose, Lieutenant-Governor of Alberta has placed a fresh obstacle in the way of the legislature setting through with its financial legislation before the end of the fiscal year, which is March 31, but this will have to be hurried through and doubtless will be passed in time, if all parties co-operate.

The funeral of Col. Primrose, which was a state funeral, was the largest and most impressive as well as most representative of all funerals held in the capital. Friday, the body lay in state for two hours in the legislative chamber, with officers of the R.C.M.P. standing guard at each corner of the casket while the public filed past. Over 1300 were counted passing the casket. They came from all walks in life to pay their respect to the distinguished dead.

Buyers to Pay Less For Horned Cattle

One Dollar Difference Between Horned and Dehorned Cattle Takes Effect May 1

Passed Unanimously at Well Attended Meeting Held in the I.O.O.F. Hall Tuesday Night

Further information regarding the dehorning of cattle has been received within the past week. A circular from the Industrial and Development Council of Canadian Meat Packers states specifically "that, beginning May 1, 1937, cattle buyers propose to pay \$1.00 per head less for all cattle with horns, purchased for slaughter, weighing 400 pounds alive (or thereabouts) and over this weight than for cattle without horns."

This action is taken, of necessity, by the cattle buyers, because of the loss in value of buying horned cattle. It is claimed that beef is crusted in transit, horns are torn, and the general value of the cattle lowered when shipments of horned cattle are made.

The circular also states "Agricultural scientists have provided a simple, inexpensive and safe method of treating calves to prevent the growth of horns. Other methods of removing horns are matters of common knowledge. Both beef and dairy cattle are much better throughout their whole lives to be without horns."

These are extraordinary, unprecedented claims over the property, occupation and person of citizens of Alberta.

"These bills foreshadow arbitrary authority over the private life of citizens, and notwithstanding any statements to the contrary, we believe if the government were not going to use this authority, there would be no need for their passing."

Canadian Legion To Commemorate Vimy Night, April 9

The annual meeting and banquet of the Lacombe Branch of the Canadian Legion B.E.S.L. is being held in conjunction with Vimy night, at the Church on April 9.

Rev. S. J. Waterman will speak on "Comrades of Days Gone By." He is well acquainted with the subject, as he was one of the "Old Contemptibles," travelling to the battlefields of France just after the outbreak of the war as a member of the Coldstream Guards. He took part in the great retreat from Mons.

Blackfalds Lecture Well Attended

An interesting stereoscopic lecture of the life of a missionary in foreign fields, given in the Blackfalds Hall Sunday evening, was well attended.

Elder O. Olson of Canadian Junior College, Lacombe, told of his experiences as a missionary in Persia. He illustrated his talk with lantern slides and costumes he had gathered from the natives while there.

Many pictures of mission work among the Chinese, Hindus and Africans were also shown.

Gull Lake

GULL LAKE.—Mrs. Alder Eklund left on Tuesday for Sidney, B.C., where she will visit with Albert Eklund. Later she will visit relatives in Washington.

Miss Mildred Moore has been confined to her home with the flu. Lewis Cabelka motored to Calgary with a truckload of cattle for Benton Wardham. He was accompanied by Mrs. Cabelka and Floyd Nelson.

Wm. A. Seltzerich, who has been visiting with his cousin, Edward Miller, and friends of this district since March 17th, left on Tuesday to resume his work in the International Nickel Mines at Sudbury, Ontario. Enroute he will visit at his home in Saskatchewan.

Leaving for Sudbury
Trevor Jackson of Gull Lake is leaving shortly for Sudbury.
Miss Agnes Cabelka spent Sunday with her friend, Miss Pauline Moore. Mr. and Mrs. Dowling and Helen were dinner guests at the home of Mr. and Mrs. H. Hansen on Sunday.

A short program and social evening will be held in the Gull Lake School Saturday.

FIELD CROP PRODUCTION

The gross value of production of the principal field crops of Canada in 1936 is estimated preliminarily, subject to revision, at \$59,139,000, as compared with \$50,910,000 in 1935. This is the highest recorded for the past seven years, but is still \$35,000,000 less than that of 1929.

Coronation Requires Different Coiffures

Special designs of hairdressing suitable for use at the coronation ceremonies of King George VI and Queen Elizabeth, were submitted to the trade by a London hairdressing school. It is expected that these designs will be used by the general public. This photo shows the "coronation coiffure" dressed in such a manner that it does not hamper the wearer of the coronet. Tiny curls surround the base of the headpiece.

Sport-Scope

By JACK McCAUGHERTY

Calgary's Dave Schirner of the New York Americans has hit the Hall of Fame this year in the N.H.L. The slick-haired left wingman has again captured the scoring title in the big league. Last season he captured the same trophy and he now enters in a class with Charlie Conacher of the Toronto Maple Leafs for winning the scoring honors two years in succession.

"Sweeney" is indeed a hockey marvel. In his three years of major league hockey he has really done well. His first year gave him the title as the best rookie. Then during the seasons 1935-36 and 1936-37 he has taken the scoring awards. If he keeps up the good showing he will become an outstanding player in a class all by himself. And it wouldn't surprise us at all!

Edmonton Dominions certainly took it on the chin on Monday night. Score, North Battleford Beavers 15, Edmonton 3. A bad drubbing indeed, but don't think too much about it; it was just one of those things.

In 1918 Kitchener won the Allan Cup. Playing against Port Arthur, the Kitchener club won 20-2. In the same year Ypres team of Winnipeg beat Saskatoon Quakers 14-3. In 1929, Fort William eliminated Weyburn, Sask., 20-7.

This series of professional tennis tilts of Perry and Vines is getting to be quite a laugh. First one up and then the other, but they always come out even in the games. It's quite a racket. Maybe they'll settle down and decide who is the pro champion one of these days—they're not fooling anyone.

A report in the Montreal Star last Sunday stated that the governors of the National Hockey League are agreeing to a financial arrangement as a memorial to the late Howie Morenz. Under the plan, the paper says, maintenance of the widow and education of the children will be provided. This is a very fine move and shows the fine sportsmanship of the N.H.L. We only hope that the plan is carried out.

HIGH QUALITY CHEESE
A tribute to the high quality of Canadian cheese is contained in the grading statistics for the year 1936. Out of the 1,251,669 packages graded during that year, 95.52 per cent was Grade 1.

Sunny Crest Specs

By SPY

SUNNY CREST—Miss Betty Saunders entertained the young people at her home Wednesday of last week. The games and refreshments were symbolic of St. Patrick's Day. The girls have chosen a name for their club—Sunny Crest Sunbeams. They will meet at the home of Mrs. L. Saunders Thursday of this week. Miss Betty Saunders, it is understood, has ordered the goods for the quilt.

Mrs. Eddie Miller was a week-end visitor with Mrs. Anna Deak.

Dr. Hughes to Speak
It looks like an early season for summer cottages at McLaurin's Beach. Dr. Hughes of Calgary is expected for the Easter holidays. He will give the sermon at the Sunny Crest Easter service.

Mrs. H. Wood visited friends in Calgary last week-end. There she met her niece, Miss Dorothy Powell, and together they visited points of interest in Calgary. Miss Powell returned with Mrs. Woods, where she will visit for the summer.

Choir practice was held in the schoolhouse Wednesday evening and another practice is to be held on Thursday evening.

Old-Fashioned Tea

On April 3rd

Plans for the old-fashioned tea to be held in the Church Hall on April 3rd are progressing apace. The Ladies' Guild has arranged a very attractive program. Featuring the tea will be a shawl parade and brides in bridal gowns, some of the gowns dating back to 1860, and from that date up to the present time.

Anyone possessing any old-fashioned shawls, bonnets, hats, bridal costumes, etc., are kindly asked to contact Mrs. F.H. Reed, Lacombe. Suitable music is being arranged.

MODESTY'S SAKE

Willie was vigorously powdering her face before going out.
"Why do you go to all that trouble?" asked hubby, who was waiting impatiently.
"Modesty, my dear," was the reply.
"Modesty?"
"Yes, I've no desire to shine in public."

The U.S. Government completed the Panama Canal after a French company had failed financially.

Clive

CLIVE.—Ray Trenholm of Bentley has opened a cafe in Clive and is now ready to serve the public in that capacity.

Mrs. D. Hudkins has been visiting relatives in Calgary for the past two weeks.

Mr. and Mrs. E. L. Reynolds left Saturday for Vancouver and Victoria, where they will enjoy the balmy climate there and take in the sights.

Dairy Business Sold
Gus Bachor has sold his dairy business to A. B. Wickens, who will in future deliver milk to the residents of Clive.

Leslie Gross motored to Edmonton on Monday, accompanied by Mrs. Stumpf and her son, Albert, and daughter, Lena. Albert went to have his eye examined after a severe injury which he received last December.

Mr. and Mrs. Ross Heald are here to visit relatives for a few days while on their way from Vancouver Island to Manitoba, where Ross has accepted an electrical position. The Baptist Young People's Union held a social evening at the home of Mr. and Mrs. A. Heald on Tuesday, March 16. About 30 young people were present and all reported a good time.

The Tees Young People staged their play, "As You Were," in the hall last Friday night. A dance followed, with music by the Rhythm Kings.

A large crowd attended church last Sunday to see the slides on the Passion Play, shown by Rev. G. A. Kettyle. We hope to see as many out next Sunday to the Easter service.

On Monday the United Young People's group held its social evening in the church. A few games were played, after which lunch was served.

Flap Jacks Will Be Served Easter Monday

Those who still have a sneaking regard for the old-fashioned flap jack should not fail to put in an appearance at the Adelphi Hotel on Easter Monday, March 29th, when St. Cyril's Men's Club will entertain all who attend the dance with flap jacks and piping hot flap jacks and maple syrup. Coffee will also be served, while Paulsen's Orchestra will supply the music.

Make your Easter holiday a complete success by attending.

Impressive Funeral For Rimbey Girl

RIMBEY.—Margaret Edna, 15, daughter of Mr. and Mrs. Sinclair Melles of Rimbey, died March 15 after an illness of many months. Although her death was not entirely unexpected, it came as a shock to her many friends in the community, and especially to her High School class-mates, with whom she was a favorite.

Thirteen girls of the senior C.G.I.T. group, of which she had been a member, formed the funeral choir. They were assisted by Mrs. W. Race, the group leader, and by its former leader, Mrs. Geo. Young of Ponoka, who had accompanied Rev. Young to Rimbey to attend the services.

Rev. Young delivered the funeral sermon, speaking feelingly of the exceptionally beautiful life of the deceased, and also extended words of sympathy to the bereaved family. The pallbearers were G. Mowbray, C. A. Rimbey, J. Grinde and M. Shapard. Interment was made in the Rimbey cemetery.

San Francisco Chronicle: One of the grimmer sides of unemployment is a shortage of seating facilities. Literally, millions are still without chairs to strike in.

Ambulance Course Starts at Rimbey

RIMBEY.—Twenty members are enrolled in a St. John's Ambulance course to begin on Wednesday evening at Rimbey. Dr. J. Byers will be the instructor and the president and secretary are O. Massing and M. B. Tuckey. Many of the present members were successful in passing the first year's work two years ago, when Dr. Byers of Rimbey instructed and Dr. W. A. Henry of Bentley conducted examinations.

Dr. Gorman of Windsor, Ont., and T. Bailey of Edmonton were busied callers in Rimbey on Monday of this week.

Dr. J. N. C. Byers will shortly move his office into a suite of rooms in the Draper block. Re-modeling and redecoration of the suite will be commenced this week.

Dr. S. J. Byers of Ponoka and Mr. and Mrs. George Byers of Leduc were Sunday visitors with relatives at Rimbey. Mrs. S. J. Byers, who had spent several days at Rimbey, returned with the party on Sunday evening to her home at Ponoka.

New Bus Driver
Walter Parge, driver for the Red Bus Lines, has succeeded C. Bradshaw on the Lacombe-Bentley line, making his first run on Saturday night. Mr. Bradshaw has been transferred to the Stettler-Consort run. Regulation busses have replaced the passenger cars on the Rimbey run.

Rev. Father J. Murphy, parish priest at Rimbey, is spending a few days in Edmonton this week. He is expected to return on Thursday.

Benefit Dance to Be Held April 6

A benefit dance is being held in the I.O.O.F. hall on Tuesday, April 6th. The Rocky Mountain Rangers have been engaged to play and a fine evening seems to be in store for those attending.

A door prize will be given, one to the ladies and the other for the gentlemen.

Tree and Flower Booklets Available at Local Station

Everyone who has crossed the border from the States to Alberta, has been struck by the sight of a healthy tree, with its windbreaks, attractive shrubs and colorful flowers.

The question which naturally arises is "If one home can be so attractive, why can't all the others?" And the answer is—they can.

It is true that not all varieties of Western Canadian trees, shrubs and flowers will do well in any one locality; but hardy native varieties can be grown, with gratifying results, wherever one cares to take the trouble to give them a fighting chance.

Trees Are Useful

Trees, besides being very attractive, are extremely useful. They provide shelter for buildings and livestock, thus saving considerable extra expenditure for fuel and food. They exert a strong influence in the control of soil drifting and in later years they provide material for fence posts and fuel—no minor consideration.

But they have another major function, the economic value of which is not generally recognized—trees are the natural habitat of birds. Birds are usually regarded as "nice to have around, with their cheery songs, and entertaining maneuvers," but they are also the world's most efficient insect eradicators. Thus, they help to combat what is, in many districts, the cause of millions of dollars of loss annually.

Hedges and Shrubs Desirable Hedges and flowering shrubs add greatly to the satisfaction of any property owner, and once a windbreak has been established, shrubs are not hard to grow. Then come perennial and annual flowers, to add more color and bushy fruits, of real economic value, and for anyone who has a good windbreak and favorable conditions, fruit trees of certain hardy varieties may be successfully grown.

In a few short years, and at very little cost, many a cheerless prairie farmstead may be transformed into a thing of beauty and a joy forever.

A list of trees, shrubs, fruit trees, bush fruits, flowers and vegetables suitable for Central Alberta has been compiled by the Dominion Experimental Station, Lacombe. All of these have been successfully grown at the Lacombe Station for a number of years.

V.C. Holder Promoted At Parliament Buildings

Corporal Philip Konowal, V.C., who shares with Major M. F. Gregg, V.C., the distinction of being the only members of the parliamentary staff, Ottawa, who have been promoted to "dominion" of "Room States," the new common room for all members of the House, Senate and Press Gallery. The new room was dedicated by Premier King to promote wider acquaintance and association among all political groups in parliament. Corporal Konowal, V.C., is pictured at one of the desks in the meeting room.

It was with regret that friends of Bob Knill, who formerly resided here, heard of his sudden death at Dayland, Alta., last Monday. He was taken ill while playing hockey for Killam against Dayland and expired within 20 minutes.

Mrs. Gene Blash spent the weekend near Red Deer, the guest of her sister.

Mr. Trenholm, who for the past few years has been proprietor of Ray's Cafe, left last week for Clive, where he will open a restaurant. Mrs. Finch is having some alterations made to the building to make more room for the cafe she will manage in future.

Many Varieties of Trees In this list, 14 varieties of trees are grouped according to the type of soil on which they produce the best results; five types of fruit trees and seven of bush fruits, as well as a dozen sorts of wild fruits, are also recommended.

Also included are 25 varieties of ornamental shrubs, 35 of hardy annual flowers, 23 half-hardy annuals and 48 perennials, with descriptions of each variety.

This list may be secured, without charge, from the Dominion Experimental Station, Lacombe.

Word has been received in Rimbey that L. H. Pearson, B.A., who was the student supply in the Church of the Epiphany here last summer, will return to Rimbey in May. Mr. Pearson, who has this winter completed his final year at the Anglican Theological College of British Columbia, at Vancouver, will be ordained on May 23. Mr. Pearson was a former resident of Bashaw.

Measles Epidemic Ninety per cent of the pupils in the six lower grades of school are out because of measles, and the attendance in upper grade classes has been considerably cut. A measles epidemic has hit the town.

An unusual feature of the situation is the simultaneous outbreak of the disease. When school closed last week-end the primary rooms had normal attendance, and when it opened Monday there were only 14 pupils present.

CHRISTIAN SCIENCE

At all Christian Science churches next Sunday, the subject of the Lesson-Sermon will be "Reality." The following is one of the Scriptural quotations contained in the Lesson-Sermon: "And there came a leper to him, beseeching him, and kneeling down to him, and saying unto him, If thou wilt, thou canst make me clean. And Jesus moved with compassion, put forth his hand, and touched him, and said unto him, I will; be thou clean. And as soon as he had spoken, immediately the leprosy departed from him, and he was cleansed." (Mark 1:40, 41, 42). One of the correlative passages from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, is as follows (page 210): "Jesus healed sickness and sin by one and the same metaphysical process."

MORE INSPECTIONS MADE

During the 1935-36 season, inspectors of the Fruit Branch, Dominion Department of Agriculture, visited 290 maple sugar bushes and manufacturing plants, as compared with 128 such visits during 1934-35. These inspections were made to check on the sanitary conditions under which maple products were produced and handled in Canada, and also to search out the possibility of adulteration in manufacturing plants.

World War History Completed

NEW YORK.—Completion of "The Social and Economic History of the World War," advertised as one of the most extensive literary works ever undertaken, is announced by Dr. James T. Shotwell, director of the division of economics and history of the Carnegie Endowment for International Peace. Published in 152 volumes, the history includes the work of 35 war-time Cabinet ministers, organized along a plan made in the autumn of 1914.

More than 200,000 individual numbers of the series have been printed in the original languages in which they were written, Dr. Shotwell says. These include English, Italian, German, French, Norwegian, Swedish, Danish, Czech and Hungarian. The series also contains a historical discussion of Russia, published in English by officials of the Tsarist Government.

War Is Analyzed

The Carnegie Foundation announcement describes the history as "the first attempt ever made to analyze war in such a fundamental and far-reaching manner."

It recalls that the project was started in 1914 upon the suggestion of the late Elhu Root, then president of the endowment. It is explained that Dr. Shotwell contributed the outline of the work, which had to be changed substantially after it became evident that the World War would not be of short duration.

Effects of the war, the nature of its displacement and the extent of its costs are discussed in the history. The work also lays emphasis on the chief national problems of various countries and attempts to present graphically some of the problems in which the war-time social and economic life of neutral states resembled that of belligerents.

Cost of the World War

Dr. Shotwell notes that it is impossible accurately to estimate the cost of the World War, in part because of expense incurred through post-war economic depressions, inflated currencies, unemployment and economic dislocations. Even the neutral countries, he adds, could not escape paying part of the penalty.

Among American and British contributors to the history are W. D. Hines, John Maurice Clark, Sir William Beveridge, Sir Arthur Salter, Sir Richard Redmayne, Francis W. Hirst and Sir Josiah Stamp.

The director of the French series, Charles Gide, economist, was assisted by Arthur Fontaine and M. Clement.

The German series is incomplete, because "the German Government found it inadvisable to have published the details of Germany's economic life during the war."

The Yale University Press is the American publisher of the history. Publishing houses for other portions

BERNIE IS LATEST 'ONE-PUNCH' MAESTRO

Hollywood's burning mystery of a week—"who was the man Ben Bernie specked" on a swanky dance floor—is at last solved. The "B. Walker, and here is the "young maestro" demonstrating how he out-yalcoed Rudy Vallee.

No Depression in Wheat Prices, Think Broomhall

Broomhall thinks the United States crop this year is hardly likely to depress the price, even although it may be fairly substantial. He thinks there are too many holes to be filled up and Europe must build up a reserve. Supplies of wheat on ocean passage to Europe are over the 60 million bushel mark, or 20 million more than at this time last year.

Threats of dust storms in the U.S. southwest caused uneasiness and rising prices on the Chicago market recently. Prospects over the entire winter wheat area are somewhat better than a year ago and trade agencies suggest a crop 100 million bushels larger than in 1936, when the winter wheat crop totalled 519 million bushels.

There was a man in our town. The chap thought he was wise. He swore (it was his policy) He'd never advertise.

But, one day, he advertised, He thereby hangs a tale— His ad was set in six-point type And headed "Sheriff's Sale."

Wednesday, the occasion being her birthday. The evening was spent in games, music and cards. Mrs. Zack received some very nice gifts and all joined in wishing her many happy returns of the day.

Little Maxie Jones entertained his little friends last Thursday evening when he celebrated his fourth birthday. He received a number of gifts and the parents of the little visitors enjoyed a pleasant evening with cards. Dainty refreshments were served.

Lost-We-Forget Club Holds Annual Election

All officers were returned by acclamation at the annual election held by the Lost-We-Forget Club on Wednesday evening of last week. They are: Honorary president Mrs. A. Lundie, Red Deer; president, Mrs. Wilson Ritsen; vice-president, Mrs. A. Aldwickie; secretary, Mrs. W. F. Granna; treasurer, Mrs. Seymour Edmunds.

In February this year the club marked the 16th anniversary of its foundation. The past year was quite outstanding in the accomplishments of the club. The poppy sale was very successful, enabling the members to give aid to many veterans and next-of-kin. Thirteen hampers were sent to needy families, in addition to blankets and two quilts, an invalid chair to a crippled

boy, donations of money, fruit and flowers to members and veterans.

Conducted Censataph Services
Public services held at the cenotaph during the summer were very impressive and well attended. The vice-president and another member of the club were privileged to attend the Vimy Ridge memorials and brought back most interesting reports.

The ranks of the club are gradually diminishing as time rolls on. Mrs. C. B. Halpin, former vice-president, removed to Calgary early last year. Mrs. W. F. Puffer and Mrs. P. MacDonald, because of infirmities, are unable to attend the meetings, but still take a keen interest in the work. Although small in numbers, the members faithfully maintain the purposes for which the club was formed, and are arranging plans for the celebration of Coronation Day, and for carrying forward their work during the ensuing year.

WESTLING.—A large crowd attended the card party in the Westling Hall on Saturday night. First prize went to Mrs. Leo Forcht and Earl Forcht. Consolation prizes went to Mrs. Earl Forcht and Nelson Saunders.

A dance will be held in the Westling Hall on March 29th and a card party on March 27th.

The Chelaine Club met at the home of Mrs. Axel Westling on Tuesday.

The Clive W.A. will hold a meeting in the English Church on Mar. 31st.

Mr. and Mrs. Oscar Westling, accompanied by Miss Mabel Westling, motored to Edmonton Saturday.

Cecil Law had the wood-sawers recently by the south of—though wood sawing is quite common nowadays.

You Can't Stay Where You Are

You turn through a kodak album and smile at old-style clothes. Skirts cluttering the ankles... hats perched high up on hair... wasp waists... awkward sleeves—odd how taste has changed.

Yet day by day your taste changes in all you wear and do. You don't like the same books, enjoy the same movies, choose the same underwear, prefer the same soap you did a short while ago. You are so used to the better, you wonder why you liked the old. Advertisements make you know the better as soon as it's proved to be better. They tell of good things accepted as good taste in the best homes. The hosiery, glass-curtains, lighting fixtures other moderns use; why their use is preferred. Advertisements influence so many around you, sooner or later you'll feel the change. Even if you never read an advertisement, you'll use in time some of the conveniences which advertisements urge you to use today. Advertisements form a tide of taste that sweeps you forward; you can't stand still. Since you'll enjoy what they advertise anyway, why not begin enjoying now?

M. D. of Crown Releases Forage Crop Seed Policy

Synopsis of Rules and Regulations As Laid Down by Government Given

The Municipality of Crown at its last regular meeting passed a resolution to take advantage of the new Dominion Provincial policy for the distribution of forage crop seed. It was reported in the last issue of the Western Globe that further information regarding this plan would be published for the benefit of our readers.

A synopsis of the rules and regulations as set down by the government follows:

The seed supplied, or any portion of it as may be specified, shall be used for the production of seed, and seeded on clean land, suitable for the production of seed.

Government assistance will be given for the first year only, and the number of farmers to receive

such assistance in any municipal district shall not exceed 20 per cent, or a maximum of 80 of the resident farmers.

The municipality shall collect from the recipients one-half the cost of the seed, plus freight if any. This program to extend over a period of not less than three years.

The municipality will appoint an official who will be responsible for the promoting of this policy within the municipal district.

The quantity of seed to be distributed by approved municipalities shall not exceed the following quantities per farmer, each farmer is entitled to one variety only:

Alfalfa 50 lbs.
Alfalfa clover 50 lbs.
Alfalfa-clover 50 lbs.
Crested wheat grass 50 lbs.
Brome 100 lbs.
Sweet clover 100 lbs.
Timothy 25 lbs.

While it is a requirement of this policy that seed be produced and made available for distribution within the district, it should be borne in mind that the main purpose of the policy is to increase the use of grasses and clovers for the production of forage crops as a means of soil and pasture improvement, and to assist in the control of weeds and soil drifting.

Municipalities are urged to encourage the wider use of forage crops, and to supplement the government's contribution as extensively as possible. If such a policy is followed each municipality will become a potential market for forage crop seed.

Something new in engine trouble happened to J. N. Stephenson of Senneville, Que., the other day. The motor coughed and the car kicked and jumped, indicating that one or more cylinders was not working. Probably a cracked spark plug and a short circuit. So, to the garage. The attendant opened the hood—and laughed. "Here's a new one," said even more to stop a car, but this is the first time I ever heard of its being done by a rat."

Sure enough, the long-tailed rodent had crawled on top of the engine to get warm and made a short circuit across two spark plugs which, in that make of car were set in the top of the engine. The garage man said it was worth admission and amusement fee.

Great Britain Takes Real Interest in Alberta Govt.

The great interest that England is taking in the present Alberta government is shown by a report in the London News Chronicle, dated March 11, 1937, concerning the political situation in Alberta. The report reads as follows:

"On March 11 it was reported that the Alberta government had decided to postpone the issue of the Social Credit dividend sine die. This report follows a long and summary telephone interview between the London office and Mr. Aberhart and may be taken as equivalent to an official announcement."

BLACKFALDS.—We are glad to report an improvement among the Martins this week. Mrs. Martin was released from the hospital last week and seems to be well on the mend; Homer is on his feet again, though looking somewhat thinner, and he has to continue attending the La-combe hospital to have his wound dressed; Chester has been doing the cooking around the house, so his appetites trouble has disappeared, but Gerie finds it hard to leave her bed and found cause to lie in somewhat longer with an attack of tonsils.

A community auction was held outside Martin's store last Wednesday, and drew a large crowd of visitors. So many cars have been seen in the village for a long time. Good prices were realized on some articles, while others brought comparatively little.

A meeting of the Ladies' Aid was held at the home of Mrs. Stephenson on Thursday last week, with a fair number in attendance. Birthday presents were made to Miss Edna Lawton and Mesdames Bills, Barron, Perry Matthias and Royce.

At a meeting of the Social Credit group held at the home of Mrs. Stephenson last week, it was resolved to send a message of condolence to Premier William Aberhart.

"Green Pastures", Famous Stage Play, Showing at Avalon

One of the most famous stage plays ever to appear within the last 15 years is brought to you by the film version of "The Green Pastures" playing at the Avalon Theatre this Thursday, Friday and Saturday.

This picture, a real departure from the regular bill-of-fare generally presented in films, depicts a Negro's conception of religion. The whole show is done on a lavish scale. There is very little romance, but the comedy is strikingly funny because of the seriousness of some of the situations. It is a picture the entire family can enjoy.

Patrons attending the Avalon this week are requested to attend the show on time, as the continuity will be broken if late.

Recipes

RECIPE FOR LAMB CHOPS (Farm Style)

Depending on size of family, pan broil 2 to 10 chops two minutes. Prepare 2 cups of green peas, 2 cups of string beans, 3 tomatoes (sliced) and 4 to 6 potatoes (sliced). Place chops in casserole, add vegetables, seasoning and sufficient boiling water or stock to prevent burning. Cover and cook in oven until vegetables are tender. Serve hot.

CABBAGE COOKED IN MILK

Two cups milk, 8 shredded cabbage, 1/3 cup of milk or cream, 1 tablespoon of melted butter, 2 tablespoons flour, 1/2 teaspoon salt. Heat the milk and cook cabbage in it two minutes. Add milk or cream, flour blended with butter, and salt. Cook for three or four minutes, stirring constantly.

ROAST ROLLED FRONT OF LAMB

This roast has the advantage of being boneless and is easily carved. The butcher will always roll the front if asked to do so. The meat is of good quality and very sweet and when served has a very pleasing appearance. Rolled fronts may be purchased in weights ranging from 4 1/2 to 6 1/2 lbs.

Wipe roast and sprinkle surface with salt and pepper. Lay on a rack in the roasting pan and place in a hot oven (500 degrees F.). Allow to sear or brown for 30 minutes. Add one cup of water. Continue to roast at a temperature of 350 degrees F. When more seasoning is desired add two small carrots, two onions, and celery (chopped fine). Serve with gravy made from the pan. Decorate plate with parsley.

RECIPE FOR LAMB STEW

Select 2 pounds of neck or breast of lamb or sufficient for family. Vegetables required are 2 onions, 2 carrots, 1 turnip and 2 or 3 medium sized potatoes. Cut meat into small pieces, place in a deep frying pan or kettle. Cover with water or stock, bring to a boil, add sliced onion and allow to simmer for about two hours, then add potatoes, carrots and sliced turnip. Cook more rapidly until vegetables are cooked. Thicken liquid with flour, season and serve stew with dumplings.

DUMPLINGS

Two cups of flour, 1/2 teaspoon salt, 2 teaspoons baking powder, 1/2 cup of milk. Sift dry ingredients, and add milk to give a smooth dough. Drop the dough by spoonfuls over top of the stew. Cover dish and allow dumplings to steam for 12 to 15 minutes; keep stew boiling hot.

Is Revolutionary Move
This is revolutionary. In no British
country has any such legislation
ever been proposed by the
party in power. It is an interference
with the life of a citizen that
has never been permitted for
centuries. One goes back to the reign
of King John when the first definite
steps were taken for the freedom
of citizens. Charles the First tried
to limit the liberties of the people,
and he lost his head.

"One should turn to Germany to
see what happens to a people that
puts into the hands of a few, or one
person, powers to control the activities
of private citizens. There we have
a totalitarian state, which claims
to control all the inner and outer
forces of the nation. Its power
extends over all spheres of public and
private life. The totalitarian state
is represented and supported by the
party. The party gives orders to the
State. Its head is Hitler. There the
minority has no voice. It is not
allowed to utter its voice. The press
is muzzled.

Canada Desires Free Speech
"In Canada the trend has been towards
more freedom of speech, as
evidenced by the action of the federal
government in repealing Section 98.
The fact of Hyde Park, London, at
the centre of the Empire, where a
man denouncing the Royal Family
is protected by the police, is a guarantee
that free speech is permitted
as a British institution. Men are
allowed to think, to speak, to publish
their thoughts, except when immoral
or profane.

"This Licensing Act has an implication
that a minister of the Crown
shall have power to prohibit a man
from engaging in the occupation for
which he may have spent years of
preparation, for which he has been
entirely qualified, and in which he has
had success, simply because he does
not comply with some new rule of
the Government.

A Reign of Fear
"There is a reign of fear in Alberta
today. Business men are afraid. It
is an unhealthy state in a country
where men go about afraid of some
impending disaster. It breaks down
morale. It gives men slavish minds.
We used to sing, 'Britons never
were shall be slaves.' That is not
Jingoism, it is a creed. It is a profession
of faith.

NOTICE
IN THE MATTER OF THE ESTATE
OF WILLIAM HENRY HARRISON,
late of the City of Newport, in
the State of Oregon, United States
of America, Retired Farmer, Deceased.
NOTICE IS HEREBY GIVEN that
all persons having claims upon the
Estate of the above named WILLIAM
HENRY HARRISON, who died on
October, A.D. 1936, are required to
file with the undersigned as Solicitor
for the Executor of the Estate of
the Deceased by the 22nd day of
April, A.D. 1937, a full statement
duly verified of their claims and
of any securities held by them and
that after that date the assets of the
deceased will be distributed among
the parties entitled thereto, having
regard only to the claims of which
notice has been filed or which have
been brought to the knowledge of
their Solicitor.
DATED this 18th day of March,
A.D. 1937.
EDWIN H. JONES,
Lacombe, Alberta.
Solicitor for the Executor. alc

is freedom under the B.N.A. Act,
to trade with other provinces, their
goods will compete in Alberta
against ours, thus the fixing of prices
in Alberta will be more harmful
beneficial to the people of this
province.

"Therefore, we humbly submit that
it is not in the best interests of the
people of this province that these
bills should become law."

Speaking to the resolution, Rev.
R. B. Layton said:

"I have given considerable study
to the provisions of these acts as
published in the daily papers. The
main principle is found in the act
re licensing, where it states that
the Lieutenant-Governor in Council
is empowered to require every person
in any designated trade, business,
industry, or occupation to be
registered or licensed, and to prohibit
the carrying on of such business
by anyone not licensed, to fix
fees, and to make rules, regulations
as to practices, systems and
methods in connection with any
designated business.

When the House opened its sittings
again on Tuesday, March 23rd, and
was preceded by the swearing in of
the new Lieutenant-Governor, Hon.
J. C. Bowen. The fact that at the
death of Col. Primrose there was no
provision in the British North America
Act for a deputy to carry on in
the interim necessitated the
adjournment of the House until a
new governor was named. That
could not be done until after the
funeral of the late governor. The
situation created a constitutional
problem of the kind for the first
time in the history of Canada.

When the House reassembled on
Tuesday the debate on the budget
proceeded but was soon concluded
owing to the necessity for gaining
time for the estimates to be put
forward before next Thursday. The
first speaker was R. E. Anley,
M.L.A. of Leduc. He urged the
necessity of taking unmistakable
steps in the direction of placing definite
Social Credit legislation in operation
so as to fulfill the promise
made to the people of Alberta.

"Today we buried a man whose
body was heavily loaded by wounds
inflicted when he was defending his
country in the Great War. He was
one of a multitude that went out to
uphold certain principles that were
a heritage from their fathers. They
believed they had to fight. Are
we going to calmly allow others to
take away from us the honored
liberties that were hardly won for us
in other centuries? No people can
ever be great who are regimented
by a few. And there is only one
answer that we should give to those
who are attempting to regiment us,
and that is 'NO'."

T. F. Roberts said, "he thought
they were flogging a dead horse,
as he felt the licensing act would
never become law, as a number of
members of the provincial Government,
were not in favor of it." Expressing
his own opinion, he remarked he
was not in favor of it, and believed
the local M. L. A. was of the same
opinion. Not a dissenting
vote was recorded when the
vote was taken. It was thought that
the resolution would strengthen the
hands of the local M. L. A. if it
was endorsed by him.

Before the primary discussion ensued,
W. J. Trott introduced Harvey
Hodgson, a visitor from Edmonton.

Government Budget
Fate Uncertain

(Continued From Page One)
Credit and much urging for speed
has been pressed upon the cabinet
at the caucus meetings. It is said,
There seems to be a strong feeling
that the cabinet is moving too slowly
and complaints are heard that no
definite plan is as yet in hand for
carrying out the real Social Credit
program.

Some Social Credit members have
actually said they fear that if the
budget and estimates are passed by
the House before the Social Credit
measures are introduced the administration
will be in a position to stall
off the implementation of the new
system for another year and there
will be a serious delay which has
been considering steps to assure
that such a situation shall not exist.
But these are only rumors partly
confirmed and it is likely that the
necessary finances will be passed by
the House without hitch before the
end of the fiscal year.

Police Court News

Henry Picorb was apprehended by
local police last week. He appeared
before Magistrate E. H. Jones Saturday
morning on a charge of vagrancy,
pleaded guilty, and was sentenced to
30 days with hard labor in Fort Saskatchewan
jail, without the option of a fine.

A charge of vagrancy against John
Kigluson, meant 30 days' hard labor
in Fort Saskatchewan jail for the
accused when he appeared before
Magistrate Jones Friday morning
last. He pleaded not guilty but the
court found the plea incorrect.

A preliminary hearing for Fred
L. Johnston, charged with false
pretences, was held in the local court
room Thursday afternoon of last
week. The accused reserved his defence
and was remanded for trial. He
was released on bail on his own
recognizance of \$500.
